A Prayer in Autumn for Country Living

**Good and generous Lord,
You have once more brought the year full circle,
through planting and growing and ripening to harvest time,
and autumn.**

**We thank You for the sun and the wind,
the rain and the dew, the minerals of the earth
and all the plants that grow
and all the beasts and birds of farm and field.
We marvel at Your wonderful ways of bringing food
from the earth for man's good.**

**Dear God,
help us to use Your rich gifts as You want us to.
Teach us to share them with our neighbor when he is in need.
Make us see,
in the marvelous succession of seasons,
and in the growth and ripening of our crops,
the merciful, generous hand of Your divine providence.**

**Help us to realize, too,
that if we keep Your commandments
and live according to the inspirations of Your grace,
we shall also reap a plentiful harvest
in the autumn of our lifetime:
a harvest that we will be able to enjoy for ever and ever,
where no rust can destroy,
nor blight spoil any least part of it.
Amen.**

Sanctuary Lamp
*Is given for the glory of God
and Special Intentions.*

An interesting thing happened after Jim Joseph did the annual Parish Financial Report last weekend. Jim had mentioned

that a number of people were finishing up their 3 year pledge to the Capital Campaign. Well, we received a few phone calls from people who used credit cards or other EFT instructing us to increase their weekly sacrificial giving now that they had satisfied their pledge to the campaign. What a great idea! Maybe some more of us might want to consider this time to increase our regular giving.

Half empty or half full?

These past few years we have not only seen a decline in giving, but also in attendance at Mass. I have to confess that this has saddened me on a number of levels. We all know how the energy is different in a fuller "house." It just struck me last weekend, (and attendance was up a bit), that there over 600 people gather at this church on a regular basis to worship God together to find comfort challenge and strength from the Word of God, from praying together, and of course, from the Eucharist. If you were to look at this community throughout the year, where else do you find that number of people gathering together on a regular basis?

Next weekend we will celebrate World Youth Day at the 11am Mass. Our budding music group, "Joyful Noise," will lead us in the singing. The 7th Graders will have special roles in the liturgy. We invite all our young people to consider attending this special Mass. I also want to invite all young people, (and youngish at heart), to attend Mass in their Halloween costume, (Church appropriate of course!). I have not decided on my outfit yet. Maybe I will repeat a costume from a few years ago -- --or maybe I'll come up with something new....

Domestic & Sexual Violence & Elder Abuse Faith Weekend

Today we join with congregations across the community to participate in Domestic & Sexual Violence & Elder Abuse Faith Weekend.

Domestic violence is a pattern of abusive behaviors including a wide range of physical, sexual, and psychological maltreatment used by one person against another to gain and maintain power and control.

Domestic and sexual violence can happen to anyone. It affects men, women, children, as well as, our elderly. Elder abuse continues to be a hidden problem. It does not just happen in nursing homes and care facilities. In fact, most often, elder abuse happens in private homes by family members.

Elderly victims are frequently too frightened, too ashamed or too sick to tell someone.

We can all make a difference. Information is available on the bulletin board in the Hurd Street entrance. If you know someone experiencing some kind of abuse, please offer them support and information. For more information or assistance, contact Vera House Crisis and Support line, 315-468-3260, 24/7.

A bit on the lighter side....

Q: What's the ratio of a pumpkin's circumference to it's diameter?

A: Pumpkin Pi

Q: How do you fix a broken pumpkin

A: With a pumpkin patch

Answer me this

Can you repeat the part after "Listen very carefully"?

Do fish get thirsty?

Does killing time damage eternity?

Do steam rollers really roll steam?

Consider one of the most perplexing questions of our time: Where do solutions go when a candidate gets elected?

How come wrong numbers are never busy?

How does the guy who drives the snowplow get to work?

How many weeks are there in a light year?

If a fly has no wings would you call him a walk?

If a word in a dictionary were misspelled, how would we know?

If FedEx and UPS merged, would they call it Fed UP?

If olive oil comes from olives, where does baby oil come from?

If the world is getting smaller, why do postal rates keep going up?

What color is a chameleon on a mirror?

Don't you just hate the blatant materialism surrounding Christmas? And aren't you just dying to know what you got?

Words of wisdom???

Education is when you read the fine print. Experience is what you get if you don't: Pete Seeger

Experience is simply the name we give our mistakes: Oscar Wilde

Imagination is more important than knowledge: Albert Einstein

These days people seek knowledge, not wisdom. Knowledge is of the past, wisdom is of the future: Vernon Cooper

HUMAN DEVELOPMENT: The love, persistence and humility mentioned in the readings of late are, of course, some of the characteristics of a good person, a good Christian. They describe a person who would help his/her neighbor by sharing their talents, (time, friendship, belongings), especially with those who are in need!
